## 2009 Summer Institute For Project Based Learning

All the elements of effective, standards-based project based learning; plenty of uninterrupted time to write PBL curriculum and lesson plans; a Roadtrip Nation job shadow experience; and best practices and worst experiences workshops

presented by some of our best—and our own—PBL practitioners. As in previous years, this Institute experience is for PBL teams of at least one core subject teacher and one career technical education teacher.

**Date: July 13—24, 2009**

**Location: High Tech High Media Arts**

**Time: 8:00 a.m.—3:00 p.m.,  
Monday—Friday**
